

Capacity Building for PhD Students in Aurora Alliance

The Aurora University Alliance takes a holistic approach to doctoral education. Our aim is that our PhD students build field knowledge during their studies and cultivate transferable skills and gain international experience through mobility within the Alliance. Through this combined approach, we will train a new generation of innovative, socially entrepreneurial PhDs.

Research Platforms – projects under development

- ▲ A pool of Doctoral Committee Members
- ▲ Virtual Guest Lecture Series on Urgent Contemporary Issues + PhD Networking Hour
- ▲ Doctoral Symposium on Public Outreach
- ▲ Aurora RISE – Research Internships in Science and Engineering

WAFS Initiatives

- ▲ **VERSA – Video Games for PhD Soft Skills Training:** A Project of URV, UIBK, VUA, GeCon that uses video games to develop PhD students' Cognitive Flexibility, Complex Problem Solving, Team Management & other skills
